PLEASE READ: This form is a request to amend your Production and Funding Agreements with NZ On Air. Please ensure that the form is completed and all information provided is correct. Once we receive a completed form we will issue standard Letters of Variation (view at www.nzonair.govt.nz). We will endeavour to prepare and issue Letters of Variation in the order in which the programmes are listed on this form. An amendment is not binding until the Letter of Variation has been signed by all parties to the Production and Funding Agreement.

This form can be submitted to NZ On Air via post: PO Box 9744, Wellington; fax: 04 382 9546; or email: melanie@nzonair.govt.nz. Any questions should be referred to Melanie Gordon at melanie@nzonair.govt.nz.
