

NZ ON AIR MUSIC

Progress Report

For your second drawdown, please provide an update on your Single now that you have received the \$8,000 advance. At this stage we expect that your audio and video are complete (though not necessarily released). Please include details of the final audio and video (with correct [NZ On Air accreditation](#)), how the funding has been spent, and any relevant information about your release plans, promotional activity, and next steps. Supporting links and files (audio, video, artwork) should also be provided.

Please provide a brief overview for each section:

Progress made so far, challenges or next steps

Please include any milestones achieved, delays, issues, what's left before public release

Your overview:

Visual Assets and Artwork

Status of cover art, music video, press images, visual stills or promotional materials

Your overview:

Budget

Please note how the funding has been spent so far, if funds were re-allocated and why

Your overview:

Supporting Materials

Any other material to update us on, such as private streaming links, press kit materials (draft press release, artist bios, photos)

Your overview:

Release Plan

Provide an update to your Single release plan. If it's part of a project/album/EP or anything else
