Official Information request and response

Thank you for your request under the Official Information Act ("OIA") dated 15 September 2020.

You have requested:

Can you please provide any documents relating to the vetting or establishing the credentials of the doctors appearing on the TVNZ show 'The Check-up', or any correspondence regarding the credibility or appropriateness of views either expressed in the show or held by the doctors appearing in the show.

Under the Broadcasting Act 1989, NZ On Air does not have editorial control or comment on the productions that it funds. The casting and vetting of presenters is an editorial decision and is the responsibility of the producer, Great Southern Television.

In our contracting with the producer we include the following clause to ensure that all Content meets the following broadcast standards and all applicable laws and regulations:

All Content must meet the standards in section 4(1) of the Broadcasting Act 1989 (as if the Content was a "programme" under the Act). This includes maintaining standards that are consistent with: the observance of good taste and decency;

- the maintenance of law and order;
- the privacy of the individual; and
- any approved code of broadcasting practice applying to the programmes

If you believe broadcasting standards have been breached in the presentation of information for *The Check Up* you may follow the complaints procedure as outlined by the Broadcasting Standard Authority [here](#):
